

**RN and Allied Health Lecture:**  
**The Role of Palliative Care and Hospice Care  
in Improving Quality of Life**  
**Wednesday, November 8, 2017**  
**12:00 - 1:00 P.M.**

**Gary Winzelberg, MD, MPH**  
Associate Professor  
Division of Geriatric Medicine,  
Palliative Care Program  
Director, Hospice and Palliative Medicine Fellowship Program  
School of Medicine  
University of North Carolina, Chapel Hill

**Learning Outcomes:**

- Discuss the historical developments associated with the development of hospice and palliative care services.
- Identify the common features and distinctions between hospice and palliative care.
- Describe the evidence demonstrating the impact of palliative care on the quality of life for seriously ill patients.

**WHERE:**

This Telehealth Lecture will be broadcast live using UNC telemedicine equipment, via WebEx, and via GoToWebinar.
