## APPs Role in Cancer Survivorship Care

**Deborah K. Mayer, PhD, RN, AOCN, FAAN**

*Frances Hill Fox Distinguished Professor*

UNC School of Nursing

Director, Cancer Survivorship

UNC Lineberger Comprehensive Cancer Center

UNC School of Medicine

University of North Carolina at Chapel Hill

### LECTURE DESCRIPTION

This lecture will provide information to identify current and future cancer survivorship trends, use a framework to analyze survivors' risks for long-term late effects and identify unmet needs, describe the APPs role in delivering follow-up/survivorship care and list survivorship resources.

### LEARNING OUTCOMES

- Identify current and future cancer survivorship trends
- Analyze survivors' long-term and late effects and unmet needs
- Describe the APP role in delivering follow-up care
- List resources for survivorship care
